IN PLANTS WE TRUST!

## PROTEIN FOR ALL.

*In Plants We Trust!*

### WE BELIEVE FOOD IS A POWERFUL FORCE TO SHAKE UP THE STATUS QUO.

But if the revolution starts on the plate, then it's got to taste good. No Evil Foods is the radical Plant Meat that began in a small kitchen, created by two people who wanted better food for themselves and for the planet. Armed with a rebellious attitude and serious DIY skills, they created a product line of plant-based meats that buck tradition and show up for damn near every occasion, from taco night to Thanksgiving dinner. No excuses. The time to empower your plate is now.
